

Alerts

1. Setting up Alerts

To set up an alert, log in to your Alpine Online banking at www.alpinebank.com

Select 'Settings' and then 'Alerts'. Your current events will be listed. Go to the events, balance, item or personal tab to create a new event.

Alpine Online | Bill Pay | eStatements | Open Account | My \$ Manager | Settings

Personal | Account | Display | Alerts | Manage Cards | AlpineMobile

Alerts Listing | Events | Balance | Item | Personal

900-551-4098

While Alpine Bank will make every effort to notify you with emails and texts about your account with your specified alerts, there may be rare instances beyond our control that a message does not reach you. As the responsible party of your account(s), please be sure to record and track all of your transactions and account balance(s) to avoid incurring fees.

Balance Alert ?

* Alert Type: Email Login Text

If the balance in: Personal

Goes: Above Below

* Amount: \$ 100 . 00

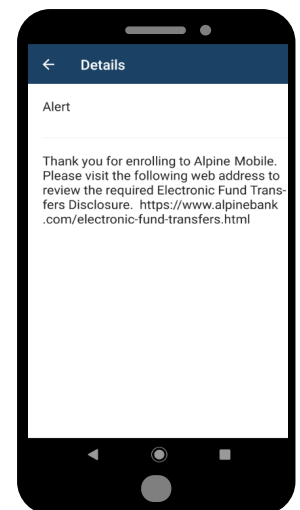

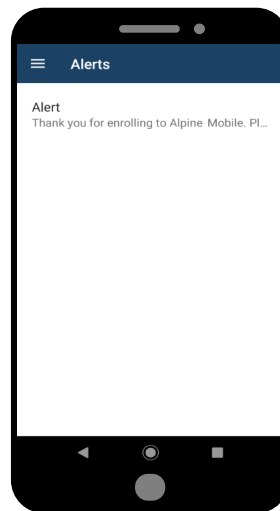

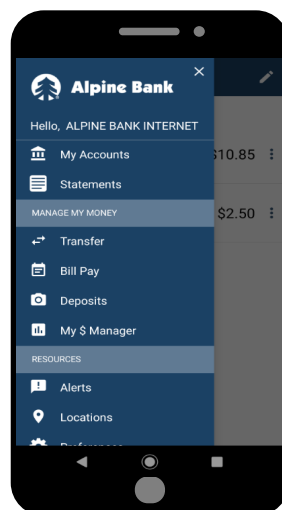

Cancel Submit

2. View Alerts

After logging in to Alpine Mobile, select the  menu icon, and choose 'Alerts' from the menu options.

Select an alert to view.

Read the alert details to see the entire alert message.

Alert notifications may be sent via email, login notification or text.
