

Downloading & Registering the VIP Access Token

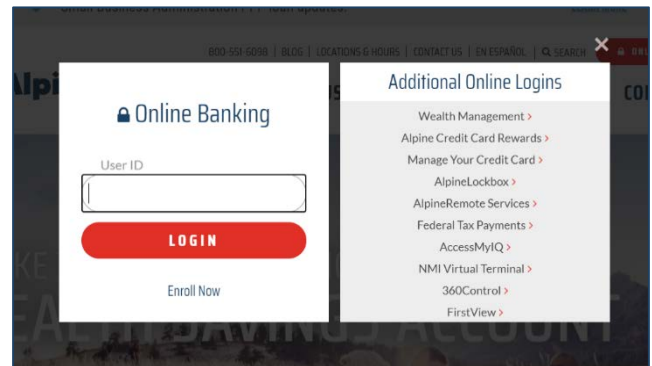

Step 1: Download the VIP Access App

Follow the instructions from <https://vip.symantec.com/> to download the VIP Access app to your mobile device.

Step 2: Log In to Alpine Business Online Banking

Enter your Alpine Online ID and Password and **Login**.

Step 3: Register your Secure VIP Access Token

When the screen prompts you to register your secure token, click **Yes**.

Enter the **Credential ID** from the VIP Access App in the **Serial Number/Credential ID** box, and the **Security Code** in the **Token/Credential Code** box. Then **Submit**.

Once your token is registered, you will only need to enter the rotating **Security Code** each time you access your Business Online Banking.

For mobile or desktop tokens, enter the Credential ID (Device Serial Number) and Security Code (Key Fob Token Code) to register your VIP Access Secure Token.
