CHAIRMAN'S MESSAGE

In 2023, the banking industry was presented with a challenging operating environment. Fierce competition for deposits drove a substantial increase in our interest expense. Nevertheless, we are continually encouraged to see the number of deposit accounts increase every month. An average of 1,200 net new accounts are added monthly. New deposit accounts opened during 2023 hold balances of \$1.193 billion. Additionally, Alpine saw moderate loan growth in 2023 with an increase of nearly \$150 million in outstanding balances. Throughout, Alpine Bank's credit quality metrics remained solid. Net income for the year of \$57 million represents the fourth highest level in our 50-year history.

The close of 2023 also brought an end to our 50th anniversary year, and we are pleased to report that our Signature Loyalty Debit Card Program saw record gains. Donations grew from \$2.01 million in 2022 to \$2.35 million in 2023. Our caring customers used their cards more than 23 million times, which allowed us to give back generously to many of the nonprofits and programs that make our communities special. Independence, Integrity, Compassion, Loyalty and Community are Alpine Bank's foundational core values, and we intend to carry them forward for many more years to come.

New locations in Colorado Springs and Fort Collins continue to do well. Staff at both branches are engaged and working hard to make a difference in those cities. We are encouraged by the reception all our Front Range banks have had in their communities.

In early 2024, we experienced the loss of one of our original directors, Rodney Slifer. Rodney served for 50 years, and his passing will be felt by all of us.

Thank you for your loyalty and support and best wishes for a happy and healthy New Year.

Sincerely yours,

J. Robert Young
Chairman
